Akamantos 13

Tseri 2040, Cyprus

Profile:

I am a passionate Engineer with 15 years' experience producing applications to a consistently high standard. I am passionate about new technologies, new ideas and new ways of thinking. I find it rewarding to apply well known technologies and analytical methods from other industries and develop them further to serve the stone wool business. I possess a proven track record of developing high end applications with cutting end technologies and am seeking a role that will utilize and expand on these skills.

Employment History:

Playtech BGT Sports (<https://www.playtech.com/>)

Solution Designer

November 2019 – Present

- Analyze customer needs and develop replies; negotiates with customers
