

*"The wood panel experts"*

# INTRODUCING CYPRUS FOREST INDUSTRIES GROUP

Cyprus Forest Industries (CFI) is the largest producer of industrial wood panels in Cyprus. For more than 50 years we are in business of manufacturing engineered wood products that serve the needs of the woodworking industry.

Cyprus Forest Industries Group is a Public Company established in 1970 and listed on the Cyprus Stock Exchange. The Group comprises Cyprus Forest Industries Ltd, the holding company, and two subsidiaries, PEP Ltd and XYLOFORM Ltd.

A wide range of industrial wood panels are produced in three plants:

- Melamine faced chipboard and MDF.
- Veneered faced chipboard, MDF and Plywood.
- Specialized plywood like veneered plywood, marine plywood, HPL faced plywood, shuttering plywood, etc.
- Highly specialized decorative panels and furniture components.

## DESIGN YOUR OWN

CHOOSE YOUR:

- FORMAT
